

Here is How to Create Content for Our Paper

Thank you for contributing!!!

1. Have Fun With it.
2. Create your content on a subject that you care about.
 - a. Your content can take any form (Written, Video, Photography, Visual Art, Performing Art, or anything new that comes to your mind)
3. If you are submitting a written piece, provide some images or graphics with a source.
4. If you are submitting any other form of content (excluding video) provide a paragraph describing what this means to you and why you chose this topic.
5. If you are submitting a video make sure you state your name, last name, and the city/country you currently live in.
 - a. A video can be as long as you want it to be but please cut it down into segments no longer than 1 minute and 30 seconds. (if it is close enough to this time stamp, within 10 seconds, that is fine too)
6. Make sure your content is appropriate.
7. Email your content to: globalpulseyouth@gmail.com
 - a. Include your name, last name, current city you live in, and country.
8. Thank you for contributing. Your content will be up on our site within one week
